The purpose of these guidelines is to foster the appropriate use of the internet. The following guidelines apply to all members whenever they access the internet at the Boys & Girls Clubs.

1. The internet has been established for educational purposes only, and is limited to classroom activities, career development, and independent scholastic research on appropriate subjects.
2. The internet has NOT been established as a public access service or public forum. The club has the right to place restrictions on the material accessible or posted through the internet.
3. You may not use the internet for commercial purposes. This means you may not offer, provide, or purchase products at the clubs.
4. You may NOT post personal information about yourself or others.
5. You may NOT agree to meet with anyone you contact online.
6. You may not use the clubs computers to hack into anyone else's files or computers.
7. You may NOT spread viruses to anyone through the internet.
8. You may NOT use inappropriate language while online.
9. You may NOT use the internet to harass or threaten others.
10. You may NOT use the internet to access pornographic images or videos.
11. You may NOT use the internet to access such sites as MySpace or Facebook.
12. If you see others accessing material that is not deemed appropriate, please tell the staff member that is located in the lab.

Use of the internet is considered a privilege of membership with the Boys & Girls Clubs of Kentuckiana, and is granted only to members who comply with all guidelines and rules. The Club reserves the right to, in its sole discretion; restrict the use of its internet access in any manner deemed necessary by Club personnel. By using the internet, you grant the Boys & Girls Clubs of Kentuckiana unlimited permission and license to review, read, search, copy, distribute, destroy, or otherwise inspect any and all information you send or receive through the internet, and you waive any right to privacy that you may have in connection with your use of the internet.

Individuals who violate these guidelines, the rules of the Boys & Girls Clubs of Kentuckiana, or the law may be denied internet privileges, or be subjected to other disciplinary measures as determined by the Unit Director or other qualified Club staff members.

This section must be signed by a parent or guardian for all students under the age of 18.

As a parent/guardian of _____, I have read the Boys & Girls Clubs of Kentuckiana's Responsible Computer Use Guidelines. I understand that access to the internet is designed for educational purposes and that the Boys & Girls Clubs of Kentuckiana has taken available precautions to educate students on appropriate educational materials. However, it is understood that no matter how much supervision and monitoring that the clubs can utilize, there will always be the possibility of my child coming into contact with material that I may deem to be inappropriate or offensive, and I will not hold the Boys & Girls clubs of Kentuckiana or its staff members/employees responsible for material acquired on the internet. I agree that it is my responsibility to inform the child of uses that I feel are appropriate, and to take steps to ensure that the child obeys my wishes in this matter.

I have read the membership application and the Parent/Member handbook and have received copies of each. I understand the rules of the Boys & Girls Clubs of Kentuckiana and request that my son/daughter to admitted into membership. I have explained the rules to my son/daughter and agree that the Boys & Girls Club will not be responsible for any accident to my son/daughter while on the premises or while engaged in any of its activities away form the club. I understand the Boys & Girls Club is not a daycare operation and that it is my responsibility to keep the information on this application current.

The Boys & Girls Clubs of Kentuckiana have an **OPEN DOOR POLICY**. This policy allows members to come and go at any time during the Club's operating hours. Staff members, under normal circumstances, are not allowed to prohibit a member from leaving the facility. Thus, it is the responsibility of the child AND the parent/guardian to determine, understand and enforce whatever arrival and departure methods they see fit. Please note that youth are not allowed on the Club's grounds during operating hours unless they are signed in and participating in Club activities. Members should NOT be dropped off prior to the opening of any facility, as the Club cannot be held responsible for the supervision of such youth.

I hereby authorize and consent to the Boys & Girls Club recording my child's picture and voice on photographs, club cards, films and audio-video tapes to use for purposes of publicity, advertising and sales promotion without any compensation whatsoever. I further release the Boys & Girls Club form any and all claims for damages, libel, slander and invasion of privacy or any other claim arising out of the use of the forgoing material.

As a parent or guardian of the Club member I hereby authorize the Boys & Girls Club, in the event of a medical emergency, to seek emergency transportation to a hospital. I further authorize medical treatment from a licensed physician; the medical emergency may endanger the Club member's life, cause disfigurement, physical impairment or undue discomfort if delayed. This authority is granted only after a reasonable effort has been made to contact me or authorized persons at the phone numbers identified on this application.

I give permission to the Boys & Girls Club to survey and interview my son/daughter to find out what his/her behaviors, skills and attitudes are in regards to issues such as health risks and habits, positive self-esteem, respect for diversity, education, and educational resource, positive relationships, career choices and connection to community, as well as his/her experiences at the Club. I understand that the purpose of these surveys and interviews is to help find out how well the Club is meeting my child's needs and to identify areas which may call for further attention. I also understand that this information will remain private and that only my child's Club Director and Assigned research assistants will be able to look at his/hers responses.

I understand that my child's responses will be automatically grouped together with the responses of other Boys & Girls Club members for any public presentation of the findings, that my child will never be individually linked to his/her responses. In addition, I understand that I can take back my permission at any time by giving written notice to the Club Director of the club. Finally, I understand that I can receive a copy of this signed consent form, and that upon written request I may arrange to discuss the findings with my child's Club Director.
